DECISION AND CERTIFICATION OF RESULTS OF ELECTION

The National Labor Relations Board has considered objections to an election held on February 26, 2015, and the Regional Director's report recommending disposition of them. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 5 ballots cast for and 16 ballots cast against the Union, and 0 challenged ballots, an insufficient number to affect the results.

No exceptions have been filed to the Regional Director's report within the time provided. Accordingly, the Board adopts the Regional Director's findings and recommendations, and finds that a certification of results of election should be issued.¹

¹The Regional Director recommended overruling the Union's objections.

CERTIFICATION OF RESULTS OF ELECTION

IT IS CERTIFIED that a majority of the valid ballots have not been cast for International Brotherhood of Boilermakers, Iron Ship Builders, Blacksmiths, Forgers and Helpers, Local Lodge No. 5, and that it is not the exclusive collective-bargaining representative of these bargaining unit employees.

Dated, Washington, D.C., September 14, 2015.
